ACRO TECH Non-Performance
No Performance Fee
By Assessment

Similar to gymnastics, this class teaches dance "Tricks", extra steps outside of traditional dance technique for choreography and Skipping "Powers" Skills for Competitive Skipping routine enhancement. If your child enjoys tumbling, wants to learn cartwheels, round-offs, aerials and other acrobatic skills to incorporate into dance choreography and skipping routines Acro Tech would be a program for them. Acrobatics Arts Syllabus and Alixa Flexibility Programs are followed.

COMPETITIVE ACRO
By teacher selection and skills assessment only.

Competitive Acro requires enrolment in Acro Tech for skill development as well as either a Ballet or Jazz class to help develop dance transitions for choreography.

ACCELERATE JAZZ 1
Dancers born 2010-2013

- Advanced stretching and conditioning to develop usable flexibility.

ACCELERATE JAZZ 2
Dancers born 2007-2009

- Building on fundamental Jazz technique and theory.

ACCELERATE JAZZ 3
Dancers born 2001-2006

- If your child has shown an interest in advancing their technique, in competing, or really enjoys Jazz and wants more training this program is an asset for them.
- Focus on Jump and Turns and classical jazz technique and theory.
- If your child is competing in any Jazz or Lyrical class or auditioning for CDLC this class is mandatory to advance their technique and be competition ready.
